PROFILE

Hi, I'm Humayun, an ambitious Web and Mobile developer who understands the needs and wants of the consumer. I see my biggest strength as being a good problem solver.

SKILLS

- Next.js
- React.js
- Tailwind
- HTML/CSS
- JavaScript
- Problem Solving
- Persistent towards hard tasks

EDUCATION

BS COMPUTER SCIENCE

Pak-Austria Fachhochschule Institute of Applied Sciences and Technology

2022 - Present

- Won multiple competitions with my startup 'Zabani' [zabani.pk].
- Participated in Google Codejam and Codegoda 2023.
- Topped my department.

A LEVELS

Nixor College

2019 - 2021

- In Nixor I made it on the Dean's List in Computer Science in my first year.
- Being in the basketball team for Nixor and competing at a city-wide level taught me resilience, team work and competitiveness where needed.

O LEVELS

Beaconhouse School System

2016 - 2019

- With 6 As and A*s in the last year of my O Levels, I understood the true value of academics in Beaconhouse.

EXPERIENCE

ZABANI

CEO & Lead Developer

2023 - Present

- Leading the development of a React-Native English Learning App.

SABZLAND TECH

Technical Team

2023 - 2023

- Using React to debug and modify web apps.
