PROFILE

Hi, I'm Humayun, an ambitious software developer who understands the needs and wants of the consumer. I see my biggest strength as being a good problem solver.

SKILLS

- Problem Solving
- · Persistent towards hard tasks
- Basic React and React Native
- JavaScript
- HTML/CSS
- Strong IT Knowledge

EDUCATION

BS COMPUTER SCIENCE

Pak-Austria Fachhochschule Institute of Applied Sciences and Technology

2022 - Present

- Won "Uraan" a competition against almost 400 projects in the IT and CS department evaluated by industrialists.
- Topped my class with 3.48 GPA.
- Launched a startup called Zabani which is gaining a lot of traction.

A LEVELS

Nixor College

2019 - 2021

- In Nixor I made it on the Dean's List in Computer Science in my first year.
- Being in the basketball team for Nixor and competing at a citywide level taught me resilience, team work and competitiveness where needed.

SABZLAND TECH

Technical Team

2023 - Present

- Evaluating requirements in web apps
- Using React to debug and modify web apps

EXPERIENCE

O LEVELS

Beaconhouse School System

2016 - 2019

 With 6 As and A*s in the last year of my O Levels, I understood the true value of academics in Beaconhouse.
